Loxo Oncology Announces Proposed Public Offering of Common Stock
May 11, 2016

STAMFORD, Conn., May 11, 2016 (GLOBE NEWSWIRE) -- Loxo Oncology, Inc. (Nasdaq:LOXO), a biopharmaceutical company innovating the development of highly selective medicines for patients with genetically defined cancers, announced today that it intends to offer shares of its common stock in an underwritten public offering. Loxo Oncology also expects to grant the underwriters a 30-day option to purchase additional shares of its common stock offered in the public offering at the public offering price less the underwriting discounts and commissions. All of the shares will be offered and sold by Loxo Oncology.

Citigroup and Cowen and Company are acting as joint book-running managers for the offering. Stifel is acting as joint lead manager. The offering is subject to market and other conditions and there can be no assurance as to whether or when the offering may be completed, or as to the actual size or terms of the offering.

Loxo Oncology intends to use the net proceeds from this offering for general corporate purposes, which may include funding research and development, increasing its working capital, acquisitions or investments in businesses, products or technologies that are complementary to its own and capital expenditures.

The public offering will be made pursuant to a shelf registration statement on Form S-3 that was filed by Loxo Oncology with the Securities and Exchange Commission (“SEC”) on August 3, 2015 and declared effective by the SEC on August 11, 2015. A preliminary prospectus supplement relating to and describing the terms of the offering will be filed with the SEC and will be available on the SEC’s website at www.sec.gov. When available, copies of the preliminary prospectus supplement and the accompanying prospectus may be obtained from Citigroup c/o Broadridge Financial Solutions, 1155 Long Island Avenue, Edgewood, NY 11717, by email at prospectus@citi.com or by phone at (800) 831-9146 or Cowen and Company c/o Broadridge Financial Services, 1155 Long Island Avenue, Edgewood, NY, 11717, Attn: Prospectus Department, by calling (631) 274-2806 or by faxing (631) 254-7140.

This press release shall not constitute an offer to sell or a solicitation of an offer to buy Loxo Oncology’s common stock, nor shall there be any sale of Loxo Oncology’s common stock in any state or jurisdiction in which such an offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or jurisdiction. Any offers, solicitations of offers to buy, or sales of the common stock will only be made pursuant to the registration statement filed with the SEC, including a prospectus and a related prospectus supplement.

About Loxo Oncology
Loxo Oncology is a biopharmaceutical company innovating the development of highly selective medicines for patients with genetically defined cancers. Our pipeline focuses on cancers that are uniquely dependent on single gene abnormalities, such that a single drug has the potential to treat the cancer with dramatic effect. We believe that the most selective, purpose-built medicines have the highest probability of maximally inhibiting the intended target, thereby delivering best-in-class disease control and safety. Our management team seeks out experienced industry partners, world-class scientific advisors and innovative clinical-regulatory approaches to deliver new cancer therapies to patients as quickly and efficiently as possible.

Safe Harbor Statement
This press release contains forward-looking statements within the meaning of the U.S. Private Securities Litigation Reform Act of 1995 and other federal securities laws. Any statements contained herein that do not describe historical facts, including, but not limited to, statements regarding the expected gross proceeds of the offering, the anticipated use of proceeds of the offering and the timing of completion of the offering, are forward-looking statements that involve risks and uncertainties that could cause actual results to differ materially from those discussed in such forward-looking statements.
Such risks and uncertainties include, among others, the risks identified in Loxo Oncology’s filings with the SEC, including its Quarterly Report on Form 10-Q for the fiscal quarter ended March 31, 2016 filed with the SEC on May 4, 2016, the prospectus supplement related to the public offering, and subsequent filings with the SEC. Any of these risks and uncertainties could materially and adversely affect Loxo Oncology’s results of operations, which would, in turn, have a significant and adverse impact on Loxo Oncology’s stock price. Loxo Oncology cautions you not to place undue reliance on any forward-looking statements, which speak only as of the date they are made. Loxo Oncology undertakes no obligation to update publicly any forward-looking statements to reflect new information, events or circumstances after the date they were made or to reflect the occurrence of unanticipated events.
